Who We Are + What We Do

The Arts & College Preparatory is a 7-12 Ohio public charter school that strives for student excellence in the arts and academics. Founded in 2001, ACPA has provided thousands of students in the Central Ohio area with a safe, inclusive, and inspiring space to thrive in for over 20 years.

When a student chooses to attend ACPA, they do so knowing they will be expected to embody the school's seven core values: Kindness, Respect for Diversity, Honesty, Problem Solving, Communication, Participation, and Awareness. These values are the foundation of everything at ACPA, and are constantly reinforced through classroom instruction, discipline practices, hiring procedures, and student recognition.

What is Chalkfest?

Chalkfest is ACPA's annual celebration of diversity and creativity within our community, and the unofficial kick-off to the arts season. Attendees enjoy live works from local artists, open chalk areas, food trucks, live music, and more hands-on experiences.

In alignment with our goal of serving our students in everything we do, Chalkfest offers a multitude of ways for them to get involved - students have the opportunity to work with professional artists, showcase their businesses in our Student Business area, facilitate activities in our hands-on village, use their creativity to create original works of art, and more.

Our theme for Chalkfest 2024 is 'Take to the Sky!' At ACPA, we believe that art knows no bounds and that everyone can soar to new heights.
