## MIDDLE SCHOOL Cell Phone Policy

Upon arrival at school, each middle school student will turn their cell phone into their G4 teacher, where it will be securely stored in a locked cabinet. Phones will remain safely locked away until the end of the school day, at which point students will retrieve them at 4:00 p.m. If you need to contact your child during the day, please feel free to call the main office, and we will promptly relay any messages.

We understand that cell phones provide comfort for both students and parents, and we are grateful for your partnership in this effort. By working together, we can foster a school environment where students are free from distractions and negative conversations, allowing them to focus on their studies, relationships, and personal growth.

Thank you for your understanding and support in helping us maintain a safe and nurturing environment for all students. Please feel free to reach out if you have any questions or concerns about this new policy.
