What is Chalkfest + Why it Matters

Chalkfest is ACPA's annual celebration of diversity and creativity in the ACPA community.

Highlights

- 10+ professional artists
- Live art and music
- Hands-on family activities
- Local food trucks
- Student-owned businesses
- Community connection

"I get so excited for Chalkfest every year...working with my artist made me feel like I could do big things with my art and maybe someday teach other ACPA kids how to do it too." - ACPA 10th Grader

By sponsoring Chalkfest, you empower young artists with real-world opportunities to create and perform, unite the Columbus arts community, and keep the arts thriving at a time when funding is disappearing.
